1. GRANOLA YOGHURT BREAKFAST BOWL

A perfect blend of sweet and savoury; a healthy treat and super easy for the kids to make. A quick and easy idea for the Dad's that have a little sweet tooth.

All the kids need to do is add some yoghurt, Hubbards granola and choice of fruits into the mix, garnish it with some chai seeds for some extra taste and ta da! Dad's morning meal is as healthy and delicious as ever.

2. AVOCADO ON TOAST

This two-ingredient recipe is simple, quick and very tasty. The kids can add as much or as little amount of avocado as they wish, hopefully suiting Dad's desired amount of course!

Toast as many slices of bread as requested. Whilst this is happening, mash up an avocado in a bowl, seasoned with some salt and pepper. Once the toast has popped, lather on the avocado. Now just plate up and serve!

Tips: Squeeze some lemon on top to add a bit of taste!

3. SCRAMBLED EGGS

Another quick, easy and healthy breakfast recipe for the kids to have some fun! This one may need some assistance by an adult.

Simply crack open some eggs and add to a mixing bowl. Then add a dash of milk (1 tablespoon of milk per egg added). Mix the eggs with a whisk until combined. Then pour the egg mix into a heated pan and wait until fluffy and golden. Once cooked, add some salt and pepper for seasoning, and serve up!

Tips: Add extra ingredients such as bacon or vegetables for that extra delicious taste.

4. PANCAKES

A little trick to remember, the first pancake is always the hardest to get right! The kids will have a ball making these delicious sweet breakfast treats. Adult assistance may be required.

The easiest way to make these is to use a pre-made pancake mix. Simply add the required amount of water to the pancake bottle mix and get the kids to SHAKE SHAKE

SHAKE until all flour is mixed. Simply pour a small amount of the mix into a heated pan. Wait for bubbles to rise and use a spatula to flip the pancakes over. Once each side of the pancake is cooked, plate up! Once all pancakes are stacked, drizzle maple syrup over the top to add some sugary goodness.

Tips: Add some butter on the top of the pancakes and let it melt through. This tip is definitely one to use – dad will absolutely love it.

5. FRUIT SALAD

A colourful dish the kids will love to make! A simple fruit salad is a delicious breakfast option and one dad will be sure to enjoy. Fruit salads are also a perfect side dish for pancakes!

The kids will need to gather one piece of different fruits. Using a chopping board and knife (may need some adult assistance) simply cut up all the fruit, add it to a bowl, and serve! An easy, simple dish that can be made super

quickly.

Tips: Drizzle some lime on top to bring the sweet flavours alive. A perfect addition to the already flavoursome dish.
